

# Six feet down

Robin Djusberg

**Am Em F**  
Invisible paint, this secret it's mine  
**Am Em F**  
I wrote it down with in invisible paint, to keep it out from the lights  
**Am Em F**  
Invisible paint, there was no time.  
**Am Em F**  
I wrote it down with invisible paint to keep it safe.

**Am Em F**  
I'll do my best to keep it safe, to keep your story safe  
**Am Em F**  
My lips are sealed, too cold to feel, six feet down  
**Am Em F**  
I'll do my best to keep it safe to keep your story safe.  
**Am**  
Six feet down...

**I**nvisible thoughts, is all I can feel  
I wrote them down my invisible thoughts, to keep it real  
Invisible dreams, they gave me no time.  
Everything is built upon pillars of dreams, impossible dreams.

**I**'ll do my best to keep it safe, to keep your story safe  
Nothing left to say, living in a grave, six feet down  
I'll do my best to keep it safe to keep your story safe.

**Am G Am G**  
Come see me when you're dead, come see me when you're dead,  
**Am G Am G**  
Come see me when you're dead, invisible paint..  
**Am G Am G**  
Come see me when you're dead, come see me when you're dead,  
**Am G Am**  
Come see me when you're dead, six feet down..
